

## BMS 6.7.1 PURCHASE ORDER PROVISIONS – COMMERCIAL ITEMS

The following provisions, including all the modification(s)/amendment(s) referenced herein, are incorporated as part of this purchase order (“Order”). These provisions do not supersede or replace any prime contractor flow-downs with the commercial or government entity nor any executed subcontract or other agreements between the parties. By commencing performance, rendering services, or submitting an invoice against an Order incorporating these provisions, Seller hereby agrees to the below terms and conditions, and any terms, conditions, and specifications on the Order. TekSynap hereby objects to and rejects any terms, conditions, or specifications contained in Seller's acceptance of this Order (or any other form or paper submitted by Seller) which differ from or add to the terms, conditions, and specifications of the Order. Seller agrees that the terms, conditions, and specifications of the Order shall prevail over any inconsistent provisions in any form or other paper submitted by Seller. As used herein, "Days" means calendar days, "Items" means those goods to be delivered (e.g., materials, equipment, products, hardware or software), and "Service" means the actions provided by Seller under this Order furnished in performance of and pursuant to this Order.

1. Seller represents and warrants to TekSynap that the Items and components provided are new (not used or reconditioned) and not of such age or so deteriorated as to impair their usefulness or safety. Seller also represents and warrants to TekSynap that all Items furnished under the Order will comply with the requirements of this Order; be free from defects in design, material, manufacture, and workmanship; will be free from liens and encumbrance; and, to the extent Seller knows such purpose, will be fit and sufficient for the purpose for which the Item was intended. If the Items furnished contain any manufacturer's warranties, Seller hereby assigns such warranties to TekSynap. Seller also represents and warrants to TekSynap that all labor provided hereunder shall be performed by qualified personnel, with diligence, and shall conform with the terms, specifications, and description of the Item(s) specified by TekSynap. Seller further represents and warrants to TekSynap that the Item(s) provided under this Order will not infringe upon the rights of any third party. These representations and warranties extend to the future performance of the Item(s) and shall continue for a period of twelve (12) months (or such longer period of time as Seller may warrant similar Item to its most favored customer) following final acceptance by TekSynap.
2. If goods are provided under the Order pursuant to a TekSynap Prime Contract or Subcontract subject to the Trade Agreements Act, FAR 52.225-5 or other applicable laws, Seller shall comply with such provisions and provide any necessary documentation to show compliance.
3. If required to fulfill a Government request, TekSynap reserves the right to visit the Seller's facility for, or otherwise receive copies of, all necessary auditing supporting data for all cost elements of submitted invoices, or other matters relative to the issued Order agreement. Visits shall be scheduled at mutually agreed upon times. Any discrepancies identified shall have the appropriate credit/debit applied to the applicable Order agreement.
4. Termination for Default. TekSynap may terminate all or any part of the Order by written notice to Seller if: (i) Seller fails to provide the Item or support services within the time specified by this Agreement or any written extension authorized by TekSynap; (ii) Seller fails to perform any other provision of this Agreement or fails to make progress, so as to endanger performance of this Agreement, and, in either of these two circumstances, does not cure the failure to TekSynap's satisfaction within ten (10) days after receipt of notice from TekSynap specifying the failure; or (iii) in the event Seller declares bankruptcy, suspension its business operation, or initiates any reorganization and/or arrangement for the benefit of its creditors. Seller shall continue work not terminated. If the Agreement is terminated for cause TekSynap may require the Seller to transfer title and deliver to TekSynap any completed Items or partially complete

items and materials, part, tool, fixtures, plans, drawings, information and Agreement rights that the Seller has specifically produced or acquired for this Agreement. Seller shall protect and preserve property in its possession in which TekSynap has an interest. TekSynap shall pay for completed Items and/or support services delivered and accepted in accordance with the prices set forth in the Agreement. TekSynap and Seller shall agree on the amount of payment for in process materials, title to which has been transferred and delivered to TekSynap. Failure to agree shall be a dispute and shall be settled in accordance with the terms herein. Seller must submit all claims within sixty (60) days after the effective date of termination. In no event shall TekSynap be obligated to pay Seller any amount in excess of the Agreement price. The rights and remedies provided TekSynap in this clause are in addition to any other right or remedies provided by law or in equity.

5. Termination for Convenience. TekSynap, by written notice, may terminate this order when in its best interest. In the event of termination, TekSynap shall be liable only for payment in accordance with the payment provisions of this Order for labor hours rendered prior to the effective date of termination. Seller shall immediately cease all work terminated hereunder and cause any and all of its suppliers to cease work. TekSynap shall have no liability for such termination except for liability for Item and support services actually rendered or expenses actually incurred prior to the effective date of such termination for which payment has not been made. The Seller shall not be paid for any work performed or costs incurred that reasonably could have been avoided. Failure to agree shall be deemed a dispute and shall be settled in accordance with the terms herein. Seller must submit all claims within sixty (60) days after the effective date of termination. In no event shall TekSynap be obligated to pay Seller any amount in excess of the Agreement price. Seller shall continue work not terminated.
6. Seller certifies that the prices shown herein are not more than those which would be charged its most favored customer or the U.S. Government for the same services in like quantities under similar conditions.
7. It is understood and agreed that the Seller is an independent corporate entity or independent consultant. Performance on this Order does not constitute employment with TekSynap and therefore does not entitle Seller personnel to any TekSynap employee benefits or privileges. Seller shall be obligated to pay all applicable taxes, including social security, unemployment insurance and shall be adequately covered for worker's compensation insurance as applicable and required. Seller agrees to meet applicable laws as an independent business entity.
8. When a Contract Security Classification Specification (DD Form 254) is applicable to this Order, the Seller shall maintain and administer a security program in accordance with DOD 5220.00-M, "Industrial Security Manual for Safeguarding Classified Information", and DIAR 50-2, "Information Security Program", and those additional documents identified on the DD Form 254. Loss or suspension of required security clearance, as set forth in the DD Form 254, will result in the inability to perform in accordance with the terms and conditions of the PO. As a result, the Order is subject to termination in accordance with FAR clause 52.249, Termination. TekSynap reserves the right to direct any employee of Seller to be removed from performance, direct or indirect, for reason of security violation(s) whether or not deemed of sufficient severity to warrant action to terminate the Seller's or individual's security clearance. TekSynap also reserves the right to direct any employee of the Seller to be removed for any investigation of alleged misconduct, which may, in the opinion of TekSynap, jeopardize the security of the project.
9. Seller certifies it maintains a binding insurance program covering the general, employment, errors and omissions, worker's compensation liability policies in accordance with applicable federal and state laws is in effect.

10. The level of effort for the performance of work under this tasking shall be established by this Order. Seller agrees to provide the total level of effort specified in each order in performance of work described in the associated statement of work for this Order. No verbal direction or instruction shall change the ceiling value of this Order. All modifications affecting cost must be in writing from an authorized TekSynap representative.
11. Effort performed in fulfilling the total level of effort obligations specified on each Order shall include only effort performed in direct support of this order and shall not include time and effort expended on such things as local travel to and from an employee's usual work location, uncompensated effort while on travel status, truncated lunch periods, work (actual or inferred) at an employee's residence or other non-work locations or other time and effort which does not have a specific and direct contribution to the tasks described in each order.

In the event travel or other direct costs ("ODCs") are required in the performance of Services under an Order, payment of such costs shall only be made if Seller received TekSynap's prior written approval, and such costs are determined to be reasonable and necessary. Seller shall only invoice its direct unburdened travel costs or ODCs. Seller shall be required to attach copies of travel vouchers and/or receipts to all invoices submitted to TekSynap to support all travel expenses. All expenses must be billed the month following their incurrence. Seller shall use the most economical method of travel available, and in no event shall the invoice include any type of cost burdens or fee, nor shall the total of lodging, meals, incidental or other per diem expenses claimed by Seller exceed the established rates or amounts allowed as set forth in the Joint Travel Regulations ("JTR"), Federal Travel Regulations (FTR), and Department of State Standardized Regulations (Government Civilians, Foreign Areas) in effect at the time travel actually occurs.

12. Invoices shall be submitted upon the delivery of Items, and/or completion of Services by Seller, and acceptance of such Items and/or Services by TekSynap and TekSynap's customer, unless otherwise specifically stated on the Order. Each invoice submitted by the Seller shall contain the following general information:
  - Name, address and remittance address of Seller
  - Purchase Order Number
  - Invoice Number
  - Invoice Date
  - Period of Performance for which the invoice is submitted.
  - Seller's Point of Contact if questions arise.

Unless otherwise specified on an Order, TekSynap shall pay Seller within sixty (60) business days from receipt of an accurate and approved invoice from Seller. Payment will be made by Electronic Funds Transfer. Contractor shall immediately inform Seller of any invoiced amount that is not approved or is deemed unallowable.

Seller will not invoice for personnel vacancies (unfilled positions) under Orders issued for fixed price labor. TekSynap will not compensate Seller for vacancies on programs.

If Seller (i) fails to perform the Work or maintain the schedule in an Order, (ii) breaches this Agreement and/or any Order(s) issued hereunder, or (iii) receives any excess payment, TekSynap may, in addition to pursuing any other remedy available to it under this Agreement or otherwise available at law, withhold or offset from the Seller's compensation an amount that TekSynap deems reasonable and necessary to assure delivery of Items and/or performance of Services and/or to protect TekSynap from loss under any Order(s). TekSynap may also withhold, offset or reduce future payments that are due to Seller on one Order to protect itself against any

loss relating to any other Order, in an amount sufficient to cover any loss, or prospective loss, relating to the Seller's Items Services. The foregoing right to withhold payment shall not be TekSynap's exclusive remedy and shall be in addition to any other remedies which TekSynap may have under this Agreement or at law or in equity. The obligations under this paragraph shall survive the termination of this Agreement.

13. TekSynap's failure to enforce any provision of the Order or to protest any breach or default of the Order by Seller shall not be construed as evidence of (or evidence to interpret) the rights or obligations of the parties, or as a waiver of any Seller obligation or TekSynap right provided under the Order or by law. No right or remedy of TekSynap shall be deemed waived or released unless such waiver or release is in writing and signed by an authorized representative of TekSynap.
14. Transportation: Transportation shall be in accordance with the Delivery Terms specified on the front page of the Order. The instructions will be F.O.B. Destination, Freight Prepaid. "F.O.B. Destination, Freight Prepaid" means title and risk of loss pass to TekSynap at Destination Point; Seller bears and prepays freight charges; and Seller must file claims for loss, damage, or overcharges (if any) for Items in transit. TekSynap shall not be liable for insurance or premium transportation charges unless TekSynap consents to such charges in writing. All Items must be packaged in accord with the instructions specified by TekSynap and shipped by route and carrier designated by TekSynap. If TekSynap does not specify the manner of packing, route, or carrier, Seller will suitably pack and ship all Items in accord with customs and practices prevailing in the industry, following wherever applicable the precedents of previous shipments to this TekSynap and, unless otherwise specified, in the most economical mode available. Seller shall mark on all packages handling and loading instructions, shipping information, order number, item and account number, shipping date, and names and addresses of Seller and TekSynap. Seller shall be liable to TekSynap for all damages incurred directly or indirectly by TekSynap or TekSynap's Customer as a result of Seller's failure to comply with the conditions set forth in this Section.

Risk of Loss: F.O.B. Destination, Freight Prepaid - Seller shall bear the risk of any loss or damage to the Items until they are delivered in conformity to the "Ship To" address on the front page of this Order. Upon such delivery, Seller's responsibility for loss or damage shall cease, except for loss or damage resulting from Seller's negligence or fault. Notwithstanding the foregoing, Seller shall remain responsible for risk of loss of any nonconforming or rejected Work, unless such loss, destruction, or damage results from gross negligence or fault of TekSynap.

Title: Except as otherwise expressly stated in this Order, title to all Items furnished under this Order shall pass to TekSynap upon final acceptance, regardless of when or where TekSynap takes physical possession of the Items.

Delays: Seller understands that TekSynap depends upon prompt delivery by Seller at the time specified in the schedules furnished by TekSynap in order to comply with TekSynap's contractual obligations to third parties. Because time is of the essence, if delivery of the Work is not made in the quantities and at the time and manner specified, TekSynap shall have the right without liability, and in addition to its other rights and remedies under this Order and the law, to take any of the following actions: (1) direct expedited delivery of Items for which Seller shall bear all premium transportation charges and risk of loss; (2) direct acceleration of Work for which Seller shall bear all premium labor costs and other acceleration costs; (3) delay payment for a period of time equal to the lateness of such delivery or performance; and/or (4) terminate this Order by written notice effective when received by Seller as to the Work not yet delivered, and purchase substitute Work elsewhere and charge Seller with any loss incurred. Seller shall, in the event of a delay or threat of delay, due to any cause, in the production, delivery, of Work hereunder, immediately notify TekSynap in writing of the delay. Seller's notice

shall include all relevant information with respect to such delay or threatened delay. Seller shall be liable for any damages resulting from failure to make delivery within the time called for by this Order or by any written instructions of TekSynap, except where such delay in delivery was due to causes beyond the reasonable control of Seller and Seller notifies TekSynap as required by this Section.

15. Indemnification.

Seller agrees to indemnify, defend and hold harmless TekSynap, its affiliates, subsidiaries, directors, officers, employees and agents from and against any and all actions, causes of action, liabilities, claims, expenses (including reasonable attorneys' fees and court costs), losses, damages, penalties, fines, forfeitures, suits, judgments, liens, awards and damages of any kind and nature whatsoever for (a) property damage, (b) personal injury, including death, (c) claims by third parties that any of the Items or Service provided by Seller hereunder, or that TekSynap's or the Government's use thereof, infringes, violates or misappropriates any patent, copyright, trade secret, trademark or any other intellectual property or proprietary rights of any third party, or (d) failure to comply with all applicable Federal, state and local laws and regulations in the performance of this Order. Seller's obligation hereunder is not limited to insurance available to or provided by Seller or any of its suppliers. Seller expressly waives any immunity under industrial insurance, whether arising out of statute or common law, to the extent of the indemnity set forth in this Section. This duty to defend, indemnify, and hold harmless extends to any suit, liability, claim, judgment, or demand that may arise out of or in connection with the performance or nonperformance of this Order by Seller or its agents, breach of warranty by Seller or its agents, any defective Item performed or delivered by Seller or its agents, any patent infringement or misappropriation of trade secrets by Seller or its agents, any failure of Seller or its agents to pay royalties, any assertion under workers' compensation or similar acts by persons furnished by Seller or its agents, or any other breach of Seller's obligations hereunder, whether such suit, liability, claim, judgment, or demand is based upon contract, warranty, strict liability in tort, negligence, or other legal theory, and extends not only to "third party claims" but also to any direct loss suffered by TekSynap. TekSynap will inform Seller of any claim, demand, judgment, or suit asserted or instituted against it to which this provision may apply. "Agents" as used herein includes, but is not limited to, Seller's employees, subcontractors, and suppliers.

If TekSynap seeks to be indemnified, reimbursed, and/or held harmless with respect to any Claim, TekSynap will: 1) provide Seller with prompt written notice of such Claim, which notice will summarize the allegations giving rise to the Claim; 2) grant Seller reasonable authority and control over the defense and/or settlement of such Claim; and 3) reasonably cooperate with Seller and its agents in defending and/or settling such Claim at Seller's sole expense. Any settlement of a Claim for which TekSynap seeks to be indemnified, reimbursed, or held harmless under this Section will be subject to the prior written approval of TekSynap, and such approval not to be unreasonably withheld. Notwithstanding the above, any Claims involving the Government will be subject to a final decision of the Government Contracting Officer.

16. Seller warrants and agrees that it will comply with TekSynap's policy providing that TekSynap's employees and agents accept no gratuities or gifts from its vendors. Seller also warrants and agrees that it will comply with the Anti-Kickback provisions of 41 U.S.C. §§ 51 to 58. In addition to its other remedies provided by law or this Order, TekSynap shall have the right to deduct from the Order price the full amount of any gift or contingent fee made by Seller in breach of these warranties and may terminate this Order for default for breach of these warranties by Seller. Seller also agrees to indemnify and hold harmless TekSynap for any claims, loss, damage or expense (including, without limitation, attorneys' fees), resulting from a breach of these warranties by Seller.
